

Gain Access to **High Quality Imaging Services** at **Reduced Out-of-Pocket Costs**

Radiology costs are increasing at twice the rate of prescription drug costs. More than \$300 billion a year is spent on radiology in the U.S.

One Call's Diagnostic Imaging Program broadens your health care choices and saves you money — by providing substantial discounts on MRI, CT and PET procedures whenever you use One Call participating providers.

UP TO 80% SAVINGS
ON MRI, CT,
& PET SCANS*

ACTUAL SAVINGS FOR A CURRENT MEMBER:

Scan	Avg. Charge	Avg. One Call Cost	Dollar Savings
MRI	\$2,900	\$800	\$2,100 72%
CT	\$1,200	\$500	\$700 60%
Other	\$5,400	\$1,700	\$3,700 69%

Note: Savings may vary based on plan design and geographical location.

This program is included in your existing benefit plan at no additional cost to you. The choice to use the discount is entirely yours. Find a provider, allow One Call to set the appointment using our concierge scheduling service, and enjoy automatic savings. It's that simple.

Through One Call you will receive the finest diagnostic radiology care in the nation — as quickly as possible, and at significantly reduced out-of-pocket costs.

Find a provider online at:
providerlookup.onecallcm.com.

Call 888.458.8746 to schedule.

HOW DOES THE PROGRAM WORK?

Before you or a covered family member are scheduled for an MRI, CT or PET scan, simply call the **One Call** number on your ID card: **888.458.8746**

One Call's multilingual concierge scheduling service will help you choose a provider from our network of nearly 3,000 nationwide radiology centers convenient to your home or work.

Once a facility is selected, One Call schedules the appointment by conducting a conference call involving One Call, you, and the imaging center.

Before the call is ended, One Call will answer any questions regarding your test or medical plan coverage for the imaging procedure. The best news is there is no paperwork or claims submission forms!

Members must schedule the procedure through One Call to receive discounts.
